

Characteristics of a **Big Vision**

➤ **Is it God-sized?**

What God wants to do is always bigger than we think we can do. An exercise in faith!

➤ **Does it paint a picture?**

Can you see it with your spiritual eyes?

➤ **Is it stated in a simple way?**

Vision must be communicated widely to others, so be sure it is brief and stated in a way that can be passed on easily.

➤ **Do you feel it?**

Vision inspires passion! Is it compelling?
Does it make you feel restless? Excited?

➤ **Can people track it?**

Be sure that progress toward the vision can be measured easily. Avoid using percentages or figures that require research.
